Ellen L brought a suggestion to the floor to have a PayPal and a Venmo icon on the Bridge web page to make it easier for members to make contributions for 7th Tradition.

After Discussion, Prasad stated he would look into this. The discussion led to having a Webmaster , which Allison volunteered.

It was decided that Allison would set up the PayPal and Venmo icon for the webpage and bring a report back at the next business meeting.

Minutes passed from the last business meeting as is.

Service Coordinator report:

Laurie stated that all positions were filled for July and would update the webpage.

OLD BUSINESS

1. On the April Meeting Minutes it was stated that Ellen L would gather together the total expenses so we could figure out a budget.
Blue Sky Host. 110.00

This has been overlooked so I have put it back on the agenda to be discussed

2. Sharon had mad a motion at last meeting to “agree on language to clarify who are voting members”
After discussion Sharon stated she will look into the wording clarifying the wording of who are voting members, which then would be accepted and this amendment would be in the minutes. She states she will have this by the Aug or Sept. Meeting 2023

NEW BUSINESS

1. **Script Revisions**
Lisa Carter brought to the table for review a Host Script which includes the description of what is expected of the host. Lisa Carter stated she put this together so new hosts would know what was expected and to make their job easier to understand and perform. Several minor changes were presented which Lisa C will revise and to be sent out for review.

It was decided to Table the Host Script revision to next business meeting. A google document will be sent out and able to open, for all to review to discuss at the next business meeting.

During the discussion and review of the Host Script it was brought up the need to mention how to send 7th tradition at which time the Host could put the information in the chat.

Motion was made to change Sharing Meeting to Topic Meeting in the Group meeting description and to add a sentence to the current scrip for 7th tradition. Both motions were passed.

Closed with the Serenity prayer at 7:35.
