New Business

1. 2. Diane T, VR Vice Chair has sent a script for review, to start a new meeting on Wednesday 8:30 AM Eastern

Time, called The Into Action Meeting. All present were excited to have the new meeting but had some

questions on how this would be ran since some of the board members are new to the OA service

structure and how it functions.

Diane T stated she will be running the meeting and will not require The Bridge Service Coordinator to fill

the service commitments now or in the future.

There was some discussion on if she will be using the Bridge Zoom meeting room. Diane T states she was

willing to use her own zoom room or the Bridge Zoom Room.

Jeff E stated that the Zoom Room belonged to the group and not the Intergroup so he felt like this should be

brought to the Group for discussion.

It was discussed by Mary Jane and Diane T that The Intergroup usually provides the Zoom Room for all of the

meetings in their Intergroup and contributions are sent from the meetings to the Intergroup.

Diane T states she will be using the Bridge link for 7th tradition and if possible members could put in the

memo who the contribution came from.

Diane states she will be be contacting WSO to register the meeting and will send Lisa C a flyer to post on the

Website of when the meeting will be starting.
